CAPRAIA

The Capraia collection draws its inspiration from the Tuscany island of Capraia, named after the Etruscan word "capra," meaning "rock." The word aptly describes the island's volcanic origin and rocky terrain. This geological character is mirrored in the Capraia collection's graphic design, which features gentle, nuanced movements that create a harmonious range of tone-on-tone colors.

Capraia is designed for individuals who appreciate high design with a classic and timeless appearance, while also embracing clean and modern aesthetics. This combination makes it an ideal choice for those looking to incorporate both tradition and contemporary style into their spaces.
